Description

With only one previous owner and very low mileage for its 2024 registration year, this BMW 2 Series Gran Coupe is a smart choice. As a 218i M Sport variant with the M Sport trim, it combines style and performance. It features a 1.5L petrol engine and complies with Euro 6 emission standards. The inclusion of the M Sport Pro Pack enhances the driving experience, making this vehicle a well-equipped option. This particular model stands out with its low insurance group, offering potential savings. Furthermore, it boasts a fuel economy of 47 mpg, meaning fewer trips to the petrol station. The low CO2 emissions also mean you can drive with a clearer conscience.
