Description

This 2023 MINI Hatch Cooper Classic represents a modern example of this iconic model. As a single owner vehicle, it has been well maintained and offers a straightforward ownership history for its next driver. Under the bonnet, it is powered by a 1.5 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations while providing a reliable driving experience. The driving experience is enhanced by the inclusion of MINI Driving Modes, which allow the driver to adjust the vehicle settings to suit different road conditions or personal preferences. This model delivers a responsive performance, capable of accelerating from 0 to 62mph in 8.3 seconds. These features combine to offer a balanced and engaging drive, making this Cooper Classic a practical choice for those seeking a refined and capable hatchback.
