Description

With only 4180 miles on the clock, this 2024 BMW 2 Series Gran Coupe is practically brand new. As a 218i M Sport, this sleek coupe combines BMW's signature driving dynamics with everyday practicality. The M Sport trim enhances the sporty appeal, while the M Sport Pro Pack adds a touch of exclusivity. Under the bonnet is an efficient 1.5L petrol engine, and this vehicle has had only one owner from new. This BMW stands out with its low insurance group, offering potential savings. You'll also benefit from its impressive fuel economy of 47 mpg, meaning fewer trips to the petrol station. Furthermore, its low CO2 emissions mean you can drive with a cleaner conscience. The engine is Euro 6 compliant, so you can drive in low-emission zones.
