Description

With only one previous owner and just 4098 miles on the clock, this 2025 BMW 1 Series 120i M Sport is barely broken in. The M Sport trim adds sporty styling and enhanced driving dynamics to this already desirable hatchback, whilst the 1.5L Petrol Hybrid engine offers a blend of performance and efficiency, and meets stringent Euro 6 emission standards. Equipped with the Technology Pack, this 1 Series boasts automatic LED headlights, keyless entry, and wireless phone charging for added convenience. The Parking Assistant, complete with front and rear sensors and a rear camera, makes maneuvering in tight spots a breeze. Sun protection glass adds privacy and helps keep the cabin cool. The acceleration is particularly impressive, reaching 0-62mph in just 7.8 seconds, which means it's quicker off the mark than many comparable cars.
