Description

With only two previous owners, this 2019 MINI Convertible Cooper Classic is a great find. The iconic MINI Convertible, with its 1.5L petrol engine, offers open-top thrills and classic British style. This Cooper Classic trim includes the MINI Driving Modes, allowing you to tailor the car's performance to your preference. The Comfort Pack adds a touch of luxury with climate control and heated seats, ensuring a comfortable ride no matter the weather. This Euro 6 emission class vehicle combines fun with modern environmental standards. This MINI Convertible stands out with its impressive fuel economy of 43 mpg, meaning fewer trips to the petrol station and more money in your pocket. It also falls into a low insurance group, making it an affordable option for many drivers. Furthermore, its low CO2 emissions contribute to reduced road tax and a smaller carbon footprint, making it a responsible choice for the environmentally conscious.
