Description

This 2026 MINI Countryman C Classic represents a modern choice for those seeking a reliable and well-maintained vehicle. As a single-owner car, it offers the peace of mind that comes with a clear history of care. The Classic trim level provides a refined and straightforward specification, ensuring that the essential elements of the MINI experience are present and correct in this latest model year. Under the bonnet, this vehicle features a 1.5-litre petrol hybrid engine that meets Euro 6 emission standards, balancing efficiency with performance. It delivers a responsive driving experience, capable of accelerating from 0 to 62mph in 8.3 seconds. This combination of hybrid technology and agile performance makes it a practical and capable option for both city driving and longer journeys, offering a blend of power and environmental consideration that distinguishes it within its class.
