Description

This 2022 Range Rover Evoque D200 Edition boasts exceptionally low mileage for its year, having covered just 22,415 miles. This stylish compact SUV features a responsive 2.0L Diesel engine paired with Four Wheel Drive for confident handling in all conditions, and meets Euro 6 emissions standards. Inside, you'll find a host of premium features designed for comfort and convenience, including a heated steering wheel, 12 way driver and 10 way passenger heated electric front seats, wireless device charging, and a Meridian Sound System. Seamlessly integrate your digital life with Apple CarPlay. Experience the impressive performance of this Evoque, accelerating from 0 to 60mph in a swift 7.9 seconds. This acceleration figure indicates a more dynamic driving experience compared to many other vehicles in its class. The combination of its advanced technology, luxurious interior appointments, and the renowned capability of the Range

Rover brand makes this D200 Edition a compelling choice for those seeking both style and substance.
