Description

This 2016 Audi A1 TDI S line presents an exceptional opportunity with its remarkably low mileage of just 59,000 miles. Finished in a stylish combination featuring a Brilliant Black contrast roof and a rear roof spoiler, this Euro 6 compliant model is powered by an efficient 1.6 litre diesel engine. The S line trim enhances its sporty appeal, complemented by privacy glass for added discretion. Inside, you can enjoy seamless connectivity with Bluetooth audio streaming and mobile telephone preparation, ensuring your journeys are both entertaining and convenient. The Audi A1 TDI S line stands out with its impressive fuel economy, achieving an outstanding 76 miles per gallon, which is significantly better than many other vehicles in its class. This efficiency, combined with its low CO2 emissions and low insurance group, makes it a very economical choice for everyday driving. Furthermore, its brisk acceleration, reaching 0 to 60 miles per hour in just 9.2 seconds, demonstrates that efficiency does not compromise performance.
