Description

This 2025 BMW 1 Series 120i Sport is a remarkable find, boasting an incredibly low mileage of just 6339 miles, making it practically new for its registration year. As a single owner vehicle, this Euro 6 compliant model features a responsive 1.5L Petrol Hybrid Engine, offering an efficient yet engaging driving experience. The Sport trim enhances its appeal, and you'll appreciate the convenience of the Parking Assistant, which includes front and rear sensors along with a rear camera to make manoeuvring effortless. The performance of this BMW 1 Series is a key highlight, with its ability to accelerate from 0 to 62 miles per hour in a swift 7.8 seconds. This acceleration figure indicates a more dynamic performance compared to many other vehicles in its class. Combined with its advanced hybrid technology and the premium Sport specification, this 120i represents a compelling choice for those seeking a blend of efficiency, technology, and driving pleasure.
