Description

This 2022 BMW 1 Series M135i offers an exceptional driving experience, boasting a powerful 2.0 litre petrol engine and a responsive four wheel drive system. As a Euro 6 compliant vehicle, it meets modern emissions standards. This particular model is equipped with a Technology Pack, which includes convenient features such as Bluetooth connectivity, a Head Up Display, LED headlights, rear parking assistance with a camera, and wireless phone charging. Further enhancing its appeal is the M135i Pro Pack, adding a premium branded sound system, and Adaptive LED headlights for improved visibility. The electric bootlid and generous boot space add practicality to this sporty hatchback. The M135i variant stands out with its impressive acceleration, reaching 0 to 62mph in a swift 4.8 seconds, demonstrating its performance capabilities. This rapid acceleration, combined with the advanced technology and comfort features, positions this BMW 1 Series above many other vehicles in its class. The inclusion of a Head Up Display provides key driving information without the driver needing to take their eyes off the road, while the LED headlights offer superior illumination. The premium sound system ensures an enjoyable audio experience for all

occupants.
