Description

This 2025 BMW 1 Series 120i M Sport presents an exceptional ownership proposition, having been driven only 5631 miles by its sole owner. This nearly new example, finished in the sporty M Sport trim, boasts a 1.5 litre petrol hybrid engine that meets Euro 6 emissions standards. Its impressive acceleration is evident with a 0-62mph time of just 7.8 seconds. Further enhancing the driving experience, this BMW 1 Series comes equipped with the Technology Pack, which includes automatic LED headlights, keyless entry for effortless access, and convenient wireless phone charging. The Parking Assistant makes manoeuvring simple with front and rear sensors, complemented by a rear camera. Additionally, the Sun Protection Glass offers added privacy and comfort. These features collectively demonstrate a superior level of specification and refinement compared to other vehicles in its class.
