Description

This 2022 BMW 4 Series M440d is a superb example, having had only one owner since new. It boasts a powerful and efficient 3.0L Diesel Hybrid engine, paired with a sophisticated Four Wheel Drive system for excellent all weather capability. This Euro 6 compliant vehicle also features an Electric Glass Sunroof, a comprehensive Parking Assistant system including front and rear sensors and a rear camera, and the desirable Shadowline Plus Pack. The large boot space offers practicality for everyday needs and longer journeys. Furthermore, this M440d sits in a low insurance group, making it an economical choice to own and run. These aspects, combined with its advanced hybrid technology and premium BMW features, position this 4 Series as a compelling option above many other vehicles in its class.

Seagoe Industrial Area, Seagoe Road, Portadown, United Kingdom, BT63 5QD
