Description

This 2024 BMW 1 Series 118i M Sport (LCP) presents an exceptional ownership proposition, having been meticulously maintained by its single owner from new. Featuring the sporty M Sport trim and a responsive 1.5 litre petrol engine, this Euro 6 compliant vehicle combines efficiency with performance. Its striking LED headlights ensure excellent visibility, while the generous boot space offers practicality for everyday needs and longer journeys. With an impressively low mileage of just 9350 miles for its age, this BMW 1 Series represents a superb example of its kind. The performance of this 118i M Sport is further enhanced by its brisk 0-62mph acceleration time of 8.5 seconds, demonstrating a lively driving experience that sets it apart from many other vehicles in its class. This combination of low ownership, minimal mileage, and the dynamic M Sport styling makes this BMW 1 Series a particularly appealing choice for those seeking a well cared for and engaging premium hatchback.
