Description

Finished in the iconic British Racing Green metallic, this MINI Electric Level 2 perfectly blends timeless MINI heritage with modern electric innovation. Paired with striking 17" black Tentacle Spoke alloy wheels and sleek Piano Black exterior styling, it's a car that turns heads wherever it goes. Under the surface, you'll find the instant performance of electric power, delivering that signature MINI go-kart feel with smooth, silent acceleration. It's quick off the mark, effortless to drive, and perfectly suited to both city streets and longer journeys. The Level 2 specification offers a great mix of comfort, technology, and style, with a high-quality interior and intuitive features designed to make every drive enjoyable and connected. Being fully electric, this MINI offers zero emissions driving along with low running costs, making it a smart and future-ready choice without compromising on fun or personality. Compact, stylish, and packed with character, this is MINI reimagined for the modern world. A truly eye-catching example that combines classic looks with cutting-edge electric performance – not one to be missed.
