Description

This 2022 BMW 4 Series 420i M Sport Pro Edition is a superb example of German engineering. Powered by a responsive 2.0 litre petrol engine, this Euro 6 compliant model offers an impressive fuel economy of 42 miles per gallon. The M Sport Pro Edition trim level ensures a sporty aesthetic and enhanced driving experience, complemented by the M Sport Pro Pack which includes a branded sound system for your listening pleasure. Manoeuvring is made simple with the comprehensive Parking Assistant, featuring front and rear sensors along with a rear camera. This BMW 4 Series is designed to be both practical and economical. Its large boot space provides ample room for luggage or shopping, making it a versatile choice for everyday use. Furthermore, its low CO2 emissions contribute to a more environmentally conscious drive, and it sits within a low insurance group, which can help to keep your running costs down. These factors combined indicate that this vehicle offers a superior ownership proposition compared to many other cars in its class.
