Description

This 2019 BMW X3 20i M Sport is a standout example, having been cherished by just one owner from new and boasting exceptionally low mileage of only 27,555 miles. As a Euro 6 compliant model, it features a responsive 2.0 litre petrol engine paired with BMW's renowned four wheel drive system, ensuring confident handling in all conditions. The M Sport trim enhances its sporty appeal, and you'll appreciate the convenience of Adaptive LED Headlights for superior visibility and the comprehensive Parking Assistant, which includes front and rear sensors along with a rear camera to make manoeuvring effortless. The X3 20i M Sport offers a compelling blend of performance and practicality. Its acceleration from 0 to 62mph in just 8.3 seconds demonstrates its dynamic capability, while the generous boot space provides ample room for luggage or shopping, making it a versatile choice for families and adventurers alike. These attributes, combined with its low mileage and single owner history, clearly set this particular X3 apart from others you might find on the market.
