Description

With exceptionally low mileage for its age, this 2023 BMW 1 Series M135i presents a superb opportunity. This four wheel drive model boasts a powerful 2.0 litre petrol engine and meets Euro 6 emission standards. It comes equipped with a convenient electric bootlid and a comprehensive Technology Pack, which includes Bluetooth connectivity, a Head Up Display, LED headlights, rear parking assistance with a camera, and wireless phone charging. Further enhancing its appeal is the M135i Pro Pack, featuring a premium branded sound system, and adaptive LED headlights for optimal visibility. The performance of this BMW 1 Series is truly impressive, capable of accelerating from 0 to 62 miles per hour in just 4.8 seconds, a figure that sets it apart from many similar vehicles. You will also appreciate the generous boot space, making it practical for everyday use and longer journeys. The inclusion of a Head Up Display further elevates the driving experience, providing key information without the driver needing to take their eyes off the road.
