Description

This 2025 BMW 1 Series 120i M Sport is a standout example, having been cherished by just one owner from new and boasting exceptionally low mileage of only 5226 miles. Finished in the sporty M Sport trim, this Euro 6 compliant model features a responsive 1.5 litre petrol hybrid engine, offering an impressive 0-62mph acceleration time of just 7.8 seconds. The vehicle is equipped with the desirable Technology Pack, which includes automatic LED headlights, keyless entry for effortless access, and convenient wireless phone charging. Furthermore, the integrated Parking Assistant, complete with front and rear sensors and a rear camera, makes manoeuvring simple, while the Sun Protection Glass adds a touch of privacy and style. The combination of its advanced features and excellent provenance clearly sets this BMW 1 Series apart. The Technology Pack enhances the driving experience with modern conveniences, and the Parking Assistant provides confidence when navigating tight spaces. Its low mileage for a 2025 vehicle indicates it has been lightly used and well cared for, suggesting a higher standard of condition compared to other similar models on the market. This 120i M Sport offers a compelling blend of performance, technology, and economy, making it an attractive choice for those seeking a premium compact car.
