### Description

This 2025 BMW 2 Series Active Tourer 225xe Sport is a standout choice, boasting exceptionally low mileage for its age with only 5783 miles covered and having had just one owner from new. This Euro 6 compliant model features a 1.5L Petrol Plug-in Hybrid engine paired with Four Wheel Drive, offering an efficient and capable driving experience. The Sport trim enhances its appeal, and you'll appreciate the convenience of the Parking Assistant, which includes front and rear sensors along with a rear camera, making manoeuvring effortless. Additionally, the Sun Protection Glass provides added comfort and privacy. The combination of its plug in hybrid technology and four wheel drive system sets this 225xe Sport apart from many other vehicles in its class, offering a blend of economy and all weather traction. The low mileage and single owner provenance suggest this car has been well cared for and lightly used, indicating a superior ownership proposition. This BMW 2 Series Active Tourer is designed to provide a practical

and enjoyable experience for everyday journeys.
