Description

This 2023 BMW 1 Series 118i M Sport (LCP) presents an exceptional opportunity with its remarkably low mileage of just 9274 miles. As a Euro 6 compliant model, it features a responsive 1.5 litre petrol engine and is finished in the sporty M Sport trim. The vehicle is equipped with striking LED headlights, enhancing both visibility and its modern aesthetic. The M Sport variant of the BMW 1 Series is designed for an engaging driving experience, boasting an impressive 0-62mph acceleration time of just 8.5 seconds. This performance, combined with its generous boot space, makes it a practical yet dynamic choice. The low mileage for its registration year indicates that this BMW 1 Series has been lightly used, offering a superb example of this popular hatchback.
