This Euro 6 compliant 2.0L petrol engine model comes in the desirable Cooper S Sport trim, offering a dynamic driving experience. It is equipped with the Comfort Plus Pack, which includes convenient Keyless Entry, Parking Assistance with both rear sensors and a rear camera, and heated seats for those colder journeys. Further enhancing comfort and practicality are the heated front windscreen and darkened rear glass. The performance of this MINI Hatch Cooper S Sport is truly impressive, capable of accelerating from 0 to 62 miles per hour in a swift 6.7 seconds.
