**Description**

This 2023 MINI Clubman Cooper Classic presents an exceptional opportunity, having been cherished by just one owner and boasting remarkably low mileage for its age at only 16,942 miles. This stylish five door hatchback is powered by an efficient 1.5 litre petrol engine, meeting the Euro 6 emission standards. It comes equipped with the desirable Premium Pack, which includes essential comforts like air conditioning and heated seats, alongside modern conveniences such as Apple CarPlay and keyless entry. For added peace of mind, it features rear parking assistance sensors and striking LED headlights, all controlled with the flexibility of MINI Driving Modes to tailor your journey. The fuel economy of this MINI Clubman is a significant highlight, achieving an impressive 47 miles per gallon, which indicates it is more economical than many similar vehicles on the market.

Furthermore, its low CO2 emissions are another key advantage, suggesting a more environmentally conscious choice. This combination of low running costs, excellent condition, and desirable features makes this 2023 MINI Clubman Cooper Classic a truly compelling proposition for any discerning driver.
