Description

This 2023 MINI Hatch Cooper Sport is a superb example, having had only one owner since new. It features a responsive 1.5 litre petrol engine, meeting the Euro 6 emission standards, and is presented in the desirable Cooper Sport trim. Experience spirited driving with its impressive 0-62mph acceleration time of just 8.1 seconds. This performance, combined with the vehicle's Euro 6 compliance and single owner provenance, demonstrates a level of care and efficiency that sets it apart from other MINI Hatch models.
