Description

This 2022 BMW 3 Series 320i M Sport is a superb example, having had only one owner since new. It features a responsive 2.0 litre petrol engine paired with a smooth Four Wheel Drive system, all meeting the Euro 6 emission standards. The M Sport trim enhances its sporty appeal, and it comes equipped with a Comfort Pack, which includes a heated steering wheel for those colder journeys, along with Extended Storage for added practicality. The Parking Assistant is a standout feature, offering front and rear sensors, as well as a rear camera to make manoeuvring effortless. This particular model also benefits from a low insurance group, indicating it could be more economical to run compared to other similar vehicles. This BMW 3 Series represents a well maintained and thoughtfully specified choice for those

seeking a premium driving experience.
