Description

This 2022 BMW X3 20i xLine has been carefully maintained by only one owner from new. This SUV features a 2.0L petrol hybrid engine paired with a four wheel drive system, ensuring it meets Euro 6 emission standards. The xLine trim level provides a refined specification, and the vehicle is equipped with a comprehensive Parking Assistant package. This system includes front and rear sensors along with a rear camera to assist with manoeuvring in tight spaces. The performance of this vehicle is balanced by its practical design, offering a 0 to 62mph acceleration time of 8.4 seconds. Beyond its capability on the road, the X3 is designed with a large boot space, making it a versatile choice for those who require extra room for luggage or equipment. This combination of efficient hybrid technology, all-weather traction, and generous storage capacity makes it a well-rounded option for daily driving and longer journeys alike.
