Description

This 2026 BMW 1 Series 120i M Sport comes with the peace of mind that it has had only one owner from new. As an M Sport variant, this hatchback combines the efficiency of a 1.5L petrol hybrid engine with the sporty styling associated with the trim level. It meets Euro 6 emission standards, making it a modern choice for current driving requirements. To assist with everyday manoeuvres, the vehicle is equipped with a comprehensive Parking Assistant system, which includes front sensors, rear sensors, and a rear camera to help you park with confidence. The performance of this model is notable, as it is capable of accelerating from 0 to 62mph in 7.8 seconds. This acceleration figure demonstrates the responsive nature of the powertrain, offering a dynamic driving experience that sets it apart from many other vehicles in its class. By balancing this level of performance with the convenience of advanced parking technology and a hybrid engine, this BMW provides a well rounded package for those seeking a

practical yet capable car.
